• TO ALLOW FOR LOCATING AND PROCESSING REQUESTS, RETURN THIS PLAYLIST BY THE DATE INDICATED ABOVE. PLEASE READ OVER THE INSTRUCTIONS.

This is the EMM playlist, encompassing a wide range of musical variety from which you can select. If you cannot locate certain titles or if you are unsure of the listed versions, check with the main office for availability. If we don't have the specific title(s) in our library or in active collections, you may supply us with those titles from your own music library for use at the scheduled event. It would be helpful to inform us of the media format (cassette, record or CD). The proper equipment can be provided at no extra charge to you. All music media will be returned to client after the performance. All Entertainment Media Management disc-jockeys will have approximately 85% of the titles on this list. You may choose as many titles as you desire. However we recommend that you choose up to 40 selections, and allow the disc-jockey some programming flexibility to professionally guide the event as smooth as possible. We encourage guests to make requests that are within reason, yet we understand if you want to lock in your choices, leaving out guests' suggestions. We will endeavor to play as many requests as possible.

Circle the requests you want and put a line through the titles you absolutely do not want. (ESTIMATE 15-18 SELECTIONS/HOUR)
